## LEADERSHIP IN ACTION

An examination of the accomplishments of the 1970-71 Student Council will bring to light not only its problems but also its worth and value.

In the fall, the Council financed and aided Mr. Clarke with the production of Variety Revue. This talent show provided an outlet for young entertainers, introduced the A.F.S. exchange student, and raised over \$600 for the A.F.S. program.

In October, the Council sponsored and organized the 1970 Homecoming, making plans for the pep rally-bonfire, game entertainment, and the Homecoming dance and King and Queen coronation.

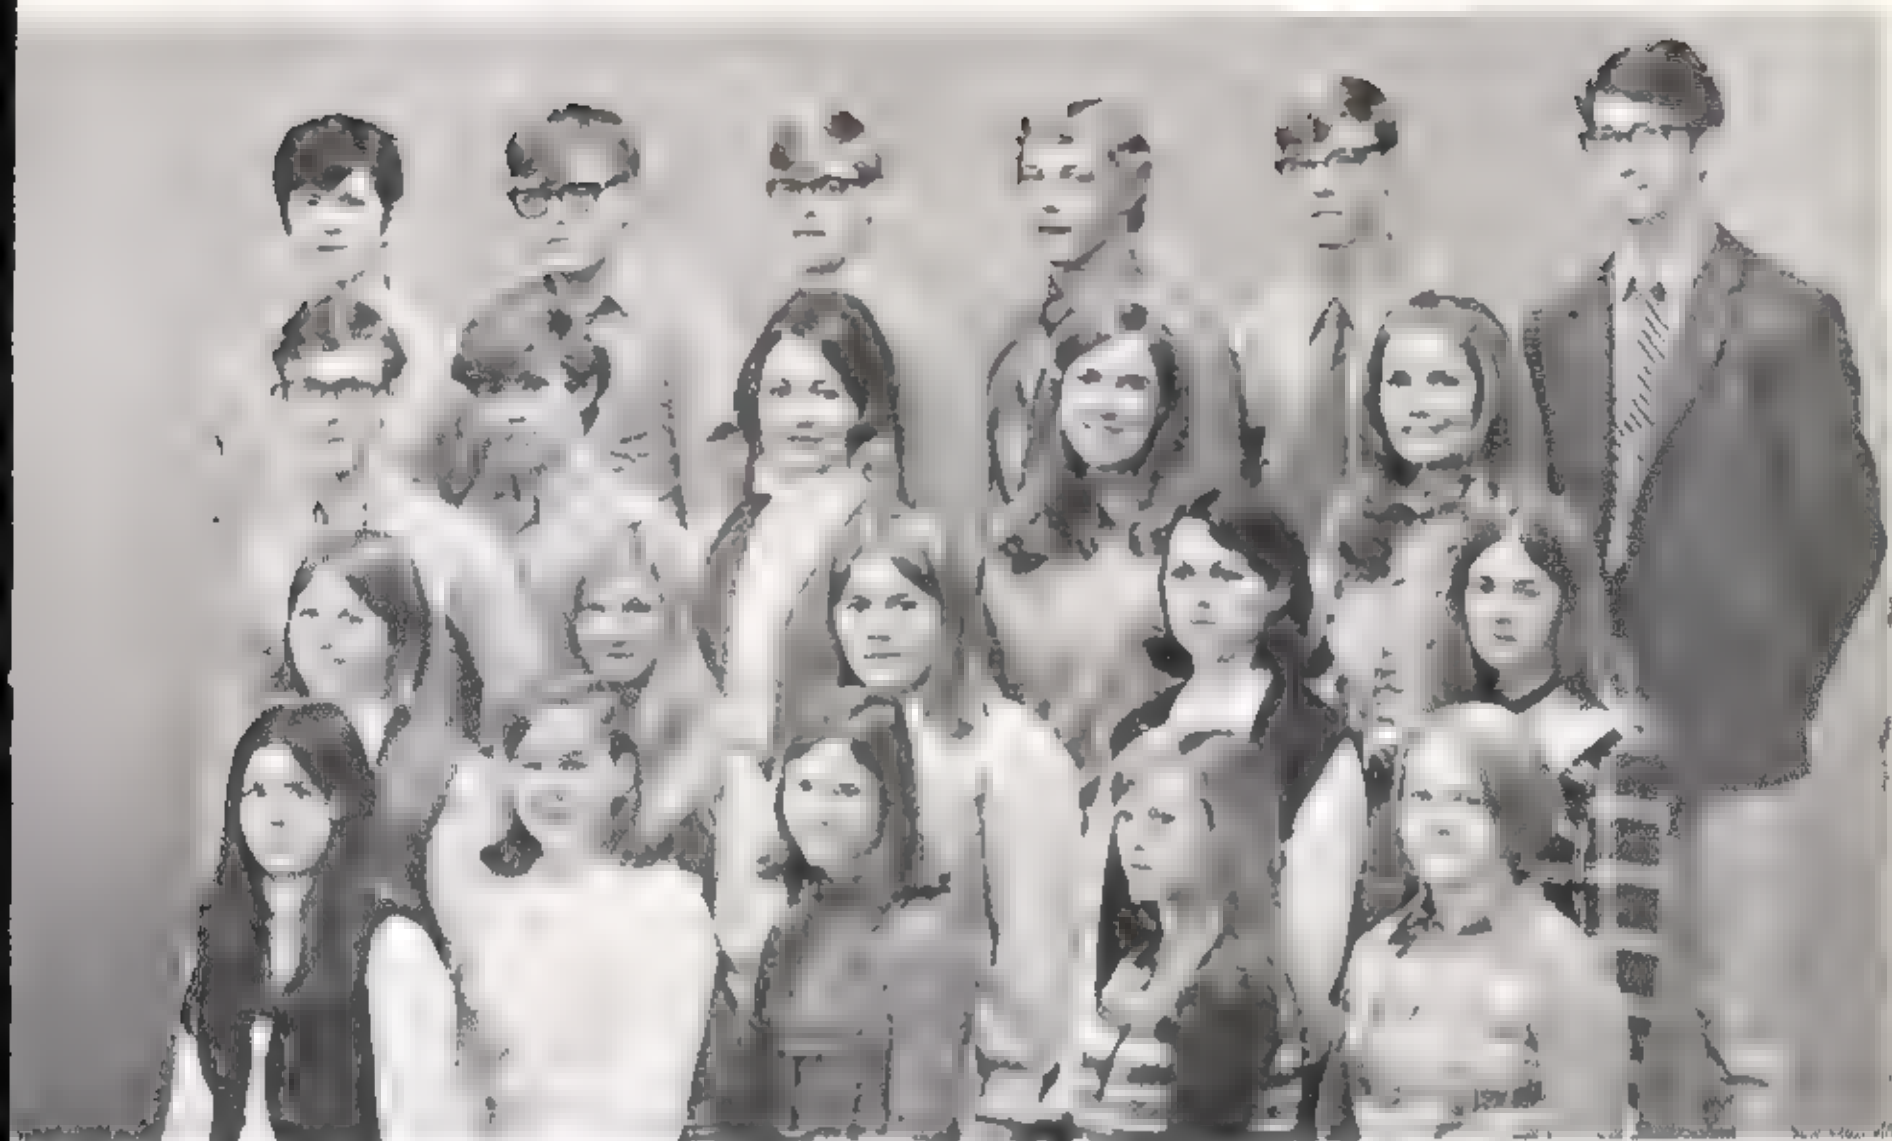

Later, Student Council hosted the East Pakistan Relief Fund Dance, in conjunction with the American Red Cross. The dance provided an outlet for over-wrought semester exam takers and raised \$135 for the East Pakistan fund.

Besides its rather "project" oriented activities, Council has provided a buffer zone between the administration and student body in contracting a "Rock" band for the Homecoming dance and was consulted in the decision to re-interpret the dress code to allow girls to wear slacks. Proposals for student lounges and open campus have been presented through the proper channels for consideration by the administration, as have suggestions for abolishing semester tests.

Student Council officers this year were: Jan Peck, Parliamentarian; Carlen Quinn, Secretary; Jim Winterland, Treasurer; Cindy Babb, Corresponding Secretary; Marilyn Upah, Vice-President, and Kevin Kasmar, President.

Comment-allez vous? This traditional greeting between friends emphasizes the theme of friendship and understanding projected by the Rochelle Township High School French Club. In an effort to better understand and appreciate the many exciting and glamorous customs of the French Club, members staged a gala Mardi Gras preceding the Lenten Season. Les amis enjoyed the festivities costumed in historic period dress and dined on exotic Parisian cuisine. Tres bien, n'est-ce pas???

# AMIGOS DE ESPANA

No matter what the language, the faces of people enjoying themselves are the same everywhere. Such are the faces of Spanish Club members — a club that is more than just an organization but a bond between all kinds of people — freshman officers, sophomore bug collectors, senior basketball players

Spanish Club this year sponsored students abroad with monies earned from an anti-litter campaign and gave members a chance to make a Colombian girl, Myriam Jaramillio, feel at home in Rochelle, and in doing so enabled each member to strengthen that bond between peoples of the world.

Learning more about their special interest from exchange student Mohammed Quamar are Spanish club officers Kay Peck, treasurer; Sue Nyberg, vice-president; Bob Risen, president; and Joan Allen, secretary.

## ARTISTIC REVOLUTION

A quiet revolution is taking place at R.T.H.S. Its sounds are those of the Art Club, now in its nineteenth year. It is a human revolution of changing ideas. A visit to the Institute of Art in Chicago and a sketching trip were two opportunities for members to explore new ideas.

Art is the triumph and satisfaction of seeing a painting grow or feeling a sculpture grow under one's fingertips. It is reaching for life and holding the power of creation in one's hands. This artistic revolution becomes a personal happening for all who can open their eyes and feel.

# H.C.C. AIDS COMMUNITY

Health Careers Club, under the direction of Miss Fowler and Mrs. Olson, introduced students to many careers in the medical field. Various programs and field trips were planned for this purpose. A Christmas party and an end-of-the-year party rewarded the members for their work at the Rochelle Hospital and the Americana Nursing Home. One thing about belonging to H.C.C. you have to have a lot of "patience."

## TOMORROW'S TEACHERS LEARN BY DOING

The smile on a child's face when one enters the room or the reward one gets when he says "I need you" make the F.T.A. worthwhile.

This year Future Teachers served as teacher aides in first grades at Tilton and Central schools. The enthusiastic faces of these F.T.A.'ers as they came back from "teaching" said that they enjoyed the experience greatly.

## LIFE'S A STAGE

It isn't really hard to be an actor. Everyone is — standing in front of a mirror or walking by the kids in the front hall or assuming an expression of rapt attention for a teacher's benefit while hastily scrawling a note to a friend across the room.

Jesters and Thespians, however, do work hard at acting. This year they spent many long hours at rehearsals working on "The Miracle Worker," "Teach Me How to Cry," and other one act plays including the contest play "Once Upon a Playground."

It doesn't matter whether we take on roles only after we are sure of our own identities or whether we build an identity from parts we have played. What is important is that we explore the ideas within us, either on our own or in the discipline of a playwright's character.

Jester officers are: J. Kingsbury, vice-president; A. McCashin, secretary, M. Upah, president, J. Hanke, historian; and C. Quinn, treasurer.

## G.A.A. — A WAY OF LIFE

For the girl who shivers from head to toe to play field hockey in the cold winds of late autumn, or for the girl who likes an extra two hours of physical education each week, G.A.A. is a way of life.

G.A.A. began its year of activities with a fall picnic to recruit new members and reorganize its older members. 1971 G.A.A.'ers participated in such sports as soccer, softball, basketball, volleyball, tennis and bowling.

In October the girls were kept busy with two playdays and a workshop. Other activities included a Halloween party, Christmas caroling, a Fun Night, and the annual slumber party. Why do they do it? Simple. G.A.A. is a way of life.

Standing are G.A.A. officers Betsy Arne, points chairman; Martha Arne, vice-president; Charlene Maris, president; Kathy Kemp, secretary; and Pat Lohrmann, publicity chairman. Seated are board members Lorraine Becker, Elizabeth Lohrmann, Jackie Dombo, and Brenda Baker.

Even though the varsity team was extremely small, they registered an impressive 7-1 won-lost record. The top scorer on the squad this year was junior Doug Hummel, totaling 140 points for the season. In doing so, Doug set new course records of 13:43 on the 2.65 mile course in Rochelle and 14:55 on the 2.66 mile Sterling course. Hummel placed 12th in the NCIC meet, fourth in the District meet, and 12th in the Sectional meet. The top senior on the squad this year was Tom McDermott. His best time of the season was 13:54 on the Rochelle course, breaking the old school record along with Hummel.

The Frosh-Soph squad ended the season with a 2-6 record. High point man for that team was Bill Gobtop, totaling 83 points for the season.

Top: Coach Schutte gives the varsity squad some encouragement before a meet. Bottom: The runners scramble as another Frosh-Soph race gets under way.

Tom McDermott gets ready to pass another opponent.

The three top Frosh Soph runners this year were Bill Gobtop, Jim Conour, and Bill Wilkinson.

# HUBS FINISH STRONG IN NCIC PLAY

Hub captains Lee Metzger, Jim Berg and Jeff Kamps review a game plan with coach Colbert.

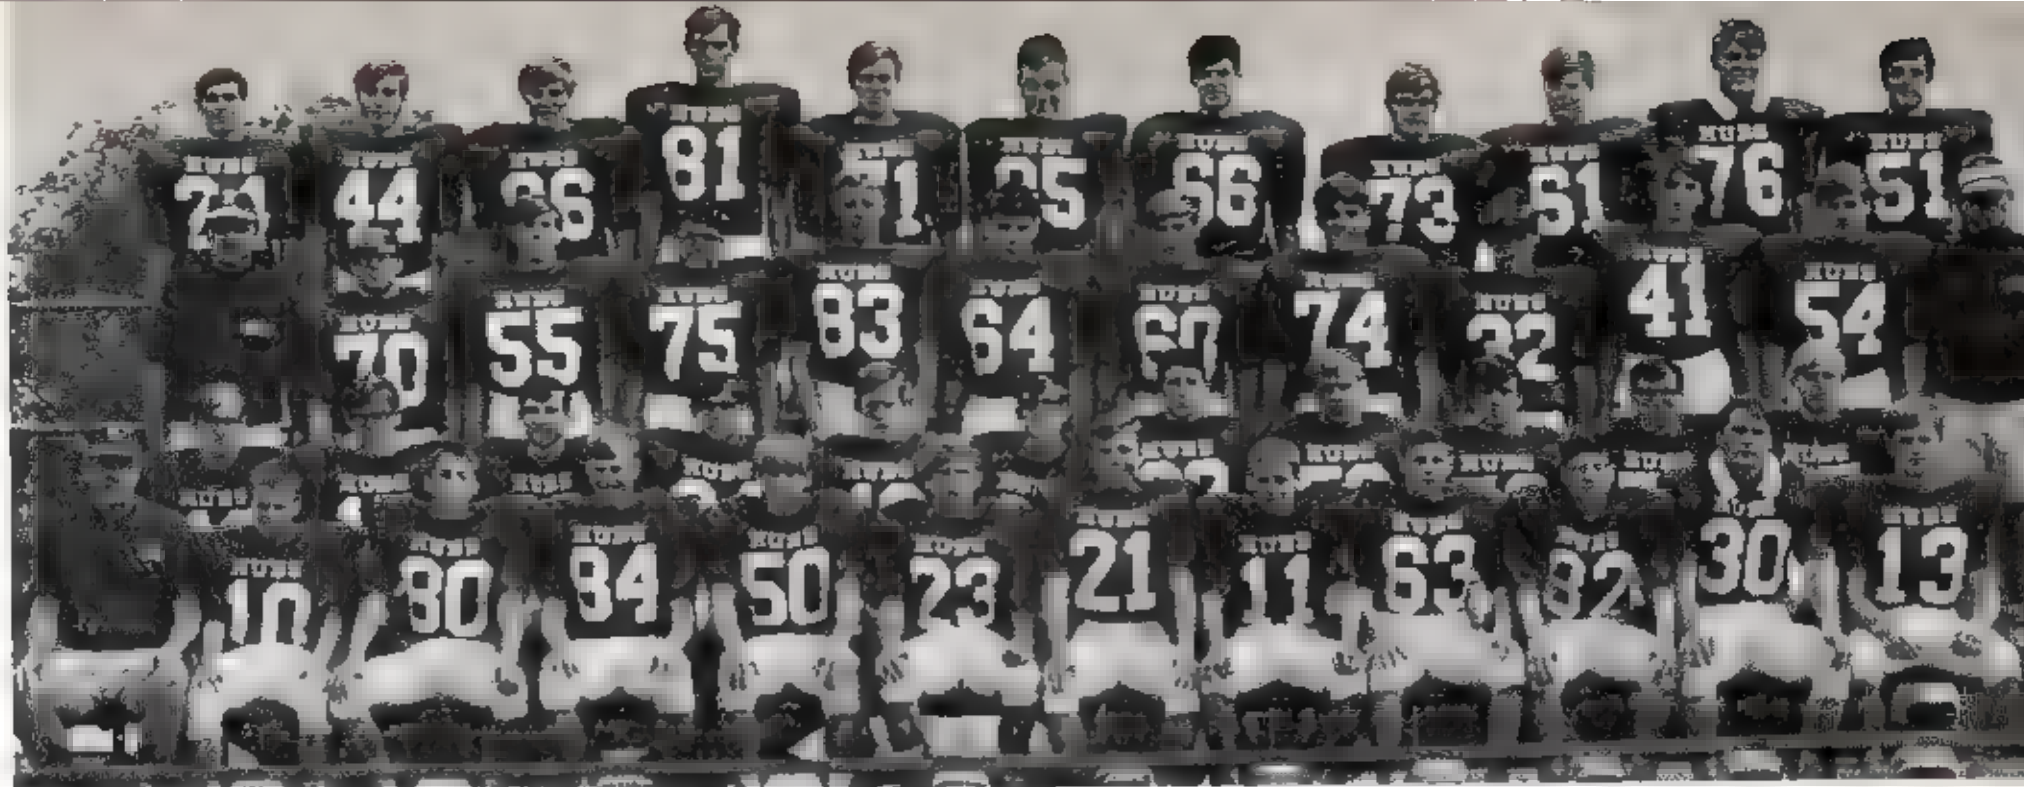

Hub gridders rolled up a 3-2 conference record to finish in a tie for second place in the NCIC conference this year. The fact that the Hubs placed six players on the NCIC all-conference team indicates that they were better than their 4-4 record showed. Among those making the first team in the Southwest Division were senior captains Lee Metzger and Jeff Kamps. Other players receiving this honor were seniors Bruce Johnson, Tom Koritz, and juniors Bill Kubale and Larry West. Kubale and West were among just six juniors selected to the twenty-seven all-star team.

Several Hub gridders made Honorable Mention and Special Mention in the conference also. Those making Honorable Mention were seniors Bill Rinehart, Jeff Kissack, Jim Winterland and Jim Berg, and juniors Terry Walker and Tim O'Brien. Senior Earl Olson and junior Tom Wyatt earned Special Mention for their play in 1970.

Many of this year's players were seniors who had both ability and spirit. Though these players will be missed the gaps they leave will be filled by capable sophomores. So next year's team has the potential to go undefeated as the Hubs hit the gridiron once again for another season.

# MILLIGAN COMPETES DOWN STATE

Malcolm Milligan, a 112-pound junior, finished second in the Illinois High School Association wrestling tournament at Champaign this year. Milligan's performance gave Rochelle an 18th place standing in the state. His only loss at Champaign was to Phil Miller of Addison Trails in the finals. Miller had earlier claimed first in sectional competition at West Leyden where Milligan managed a second place through a wrestle-back win.

A few weeks earlier Milligan had won three straight bouts to gain the district crown at DeKalb. In sectional action at West Leyden the Hub junior won his first bout, a 4-0 decision over Ed Straith of West Leyden and then shut out Fremd's Jeff Alvis 5-0. In sectional semi-finals Miller edged Milligan 2-1, but the Hub grappler maintained his right to a Champaign berth with an 11-2 decision over Conant's Mark Magnuson.

In the opening round of the state meet Milligan scored a 10-6 decision over Tyrone Ward of Chicago Marshall. He went on in quarterfinal action to breeze past Rantoul's Wayne Angel 12-2. In semifinal action Milligan edged Rosco Walker of Proviso East in a 4-3 decision. In the finals Milligan led Miller 2-1 for two periods before Miller came back to take the state title with a 5-2 decision.

Milligan finished the year with a sparkling 36-6 record. His 36 wins brought him a new R.T.H.S. record and the state record for most wins in a season by one wrestler. Milligan, along with the rest of the Hub team, was aided in a successful season by the coaching of George Dyche and Pete Fader. Malcolm Milligan will be wrestling for Rochelle again next year. Hopefully he will spark the Hubs to another successful season.

Coach George Dyche congratulates Milligan after sectional match.

# HUBS BOAST 16-1-1 SEASON

This year's varsity wrestling squad finished their dual meet season with an outstanding 16-1-1 record, the best in the school's history. Throughout the regular season the Hubs won every tournament in which they participated.

In NCIC conference action the Hubs placed only third; however, in the DeKalb district Rochelle Grapplers managed a second place finish. The Hubs finished sixth in the West Leyden sectionals from which the top three teams in the state later emerged. The Hub mat team went on to earn an 18th place state rating on the fine effort of junior Malcolm Milligan.

During the season five new R.T.H.S. records were broken. Malcolm Milligan had the most wins in both R.T.H.S. history and that of the state with 36. Milligan also had 44 takedowns to break an old record and most team points scored in a single season with 138. Most consecutive wins went to Scott Brown, one of the team's tri-captains, with 31. Lee Metzger, another captain, had 20 falls to break the old record of 18. Finally, Tom McDermott accumulated the most reversals ever during one season with 39.

Though much of the varsity will be graduating this year, the team still has an extremely bright outlook. Head coach George Dyche and assistant Pete Fader look forward to next season as another successful year for Rochelle wrestlers.

Tri-captains Scott Brown (33-1), Lee Metzger (22-8), and Dave Kapraun (26-6).

Varsity: Top Row: B. Winebaugh, M. Hays, L. West, D. Byrd, B. Rinehart, L. Metzger, and H. Axford. Second Row: D. Holtman, S. Brown, J. Krieger, T. McDermott, D. Kapraun, and C. Golt. Bottom Row: K. Kasmar, T. Anderson, E. Anders, M. Milligan, W. Kemp, and D. Peters.

## SOPHOMORES LOOK TO FUTURE

# HUBS CAPTURE REGIONAL TITLE

Action was the name of the game as this year's varsity cagers fought their way through a rough season and into the sectional tournament. Near the end of the season the roundballers suddenly switched to a fast break style of ball and found themselves scoring 100 points or more in three consecutive games, including a record setting 109-47 rout of Belvidere. Led by all-conference center Tom Carmichael, who set a new school record for total points in one season, the Hubs won their first regional tournament since 1955, beating Dixon 81-61 in the finals.

Playing consistently along with Carmichael this year were seniors Dave Lockridge, Jeff Kamps, Terry Van Hise, Bruce Johnson and Jeff Truckenbrod. Also, coach Gentry relied heavily upon junior Scott Sanderson throughout the year. The outlook for next year is good since this year's junior varsity squad compiled an 8-2 record.

Coaches Gentry and Romes show team captains Bruce Johnson and Tom Carmichael how to handle a basketball.

Jim Berg leaps high for a rebound.

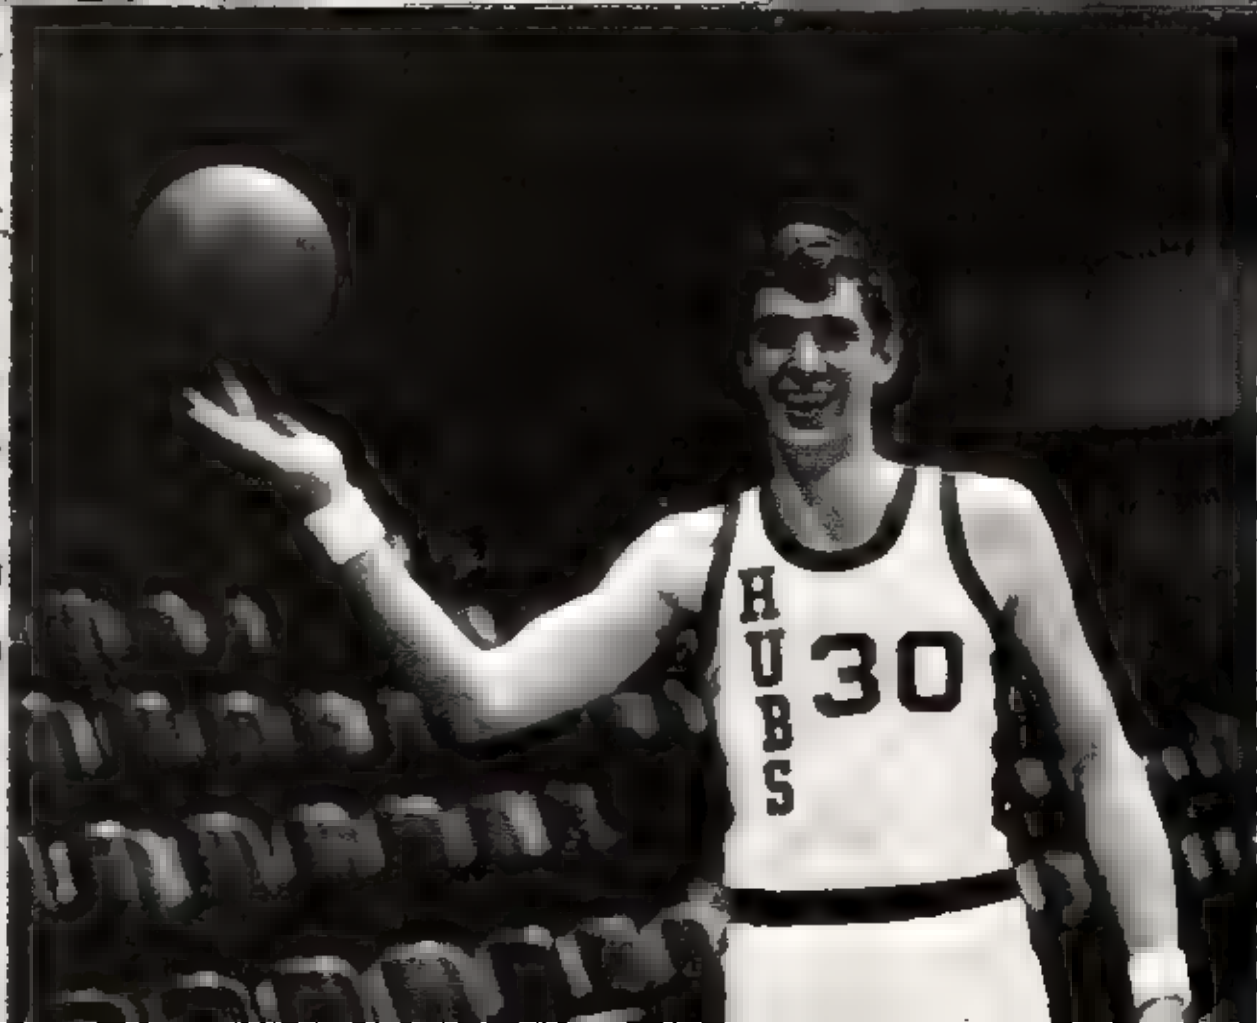

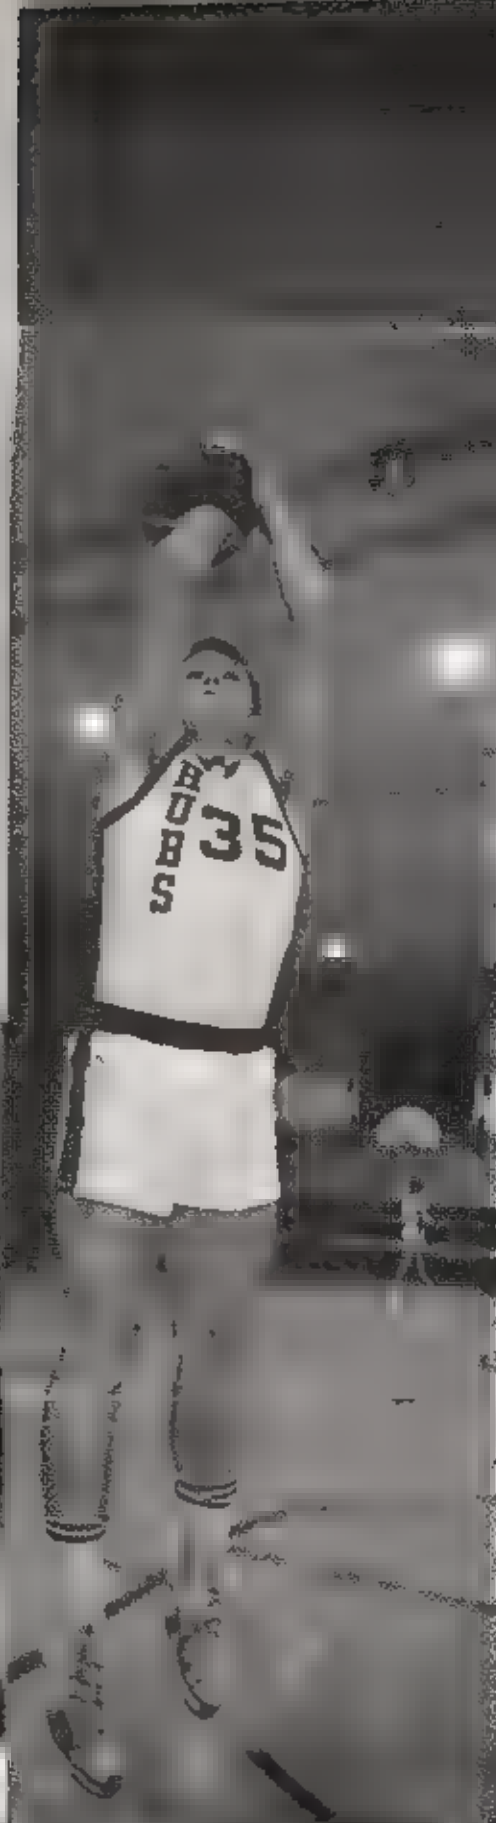

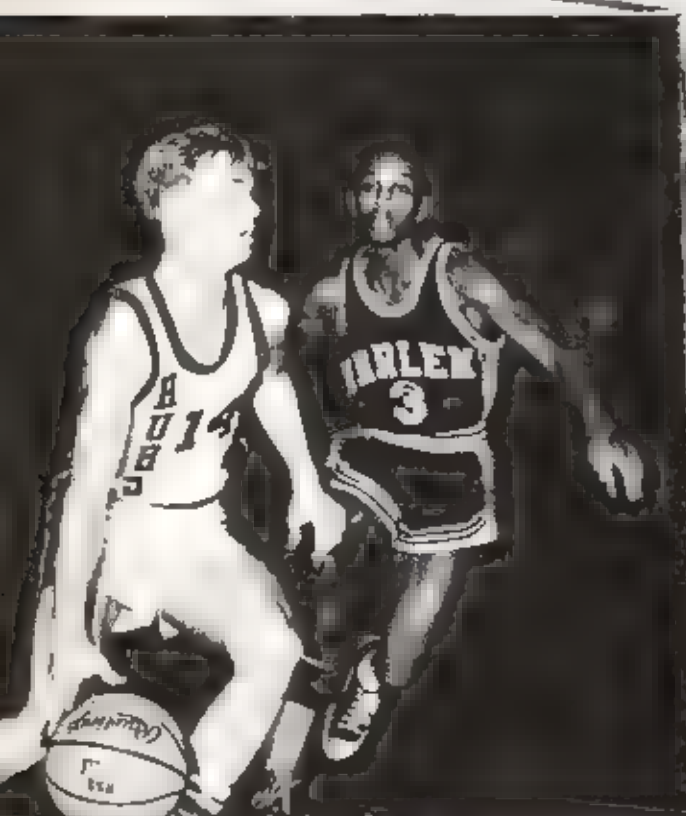

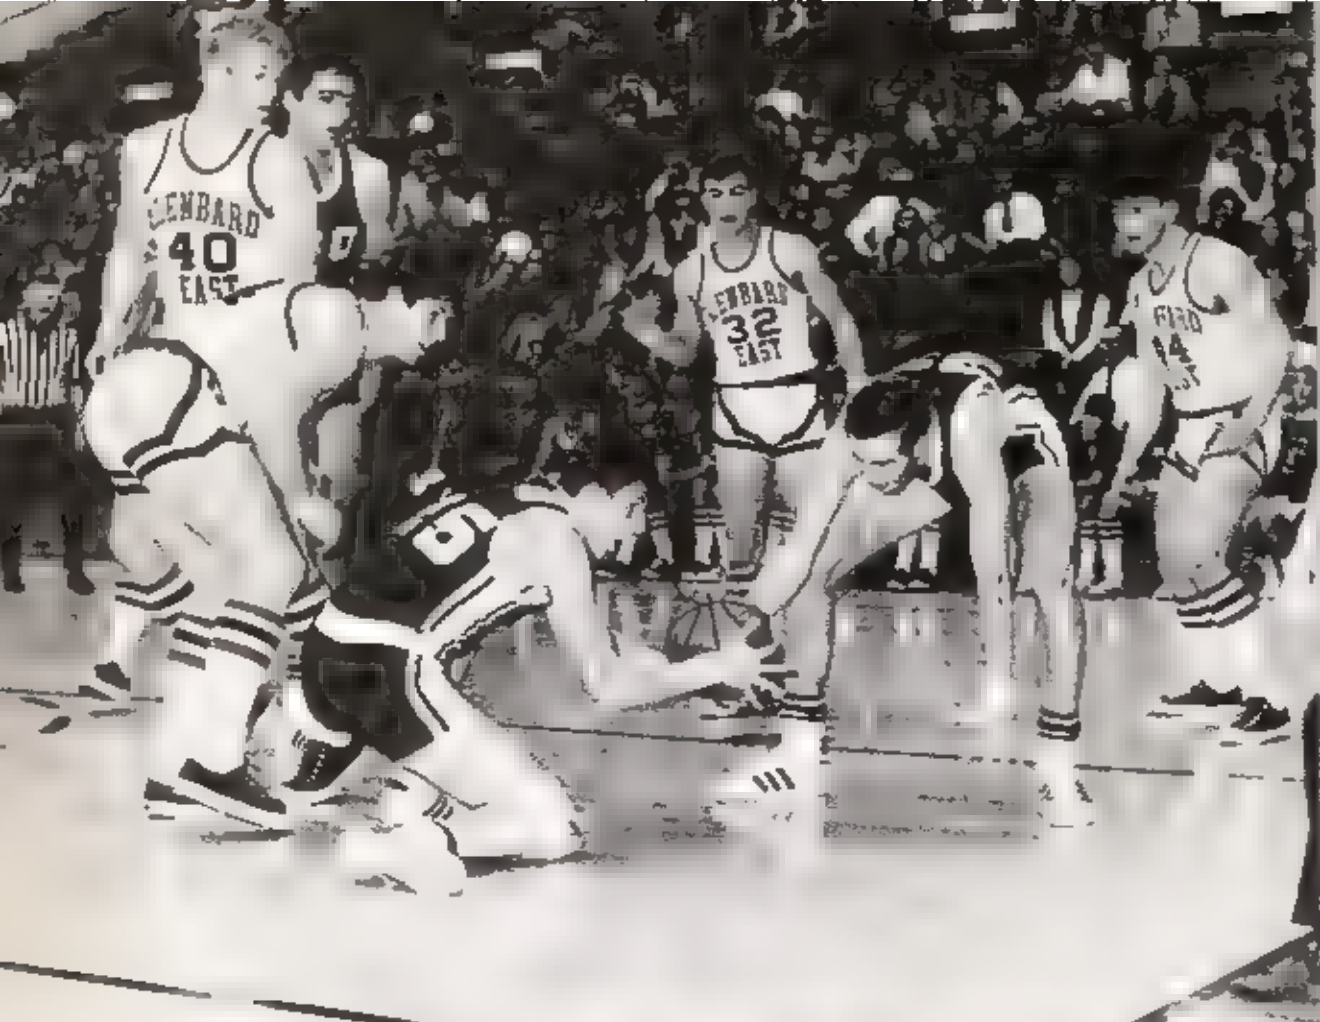

Jeff Truckenbrod gets ready to pass the ball to one of his teammates during the DeKalb holiday tourney.

Scott Sanderson keeps his eye on the ball as he moves in to attempt a steal.

Anyone passing by Room 318 periods 9 and 10 or for some strange reason, passing by on a weekend would have seen **Tatler** staff members holding pictures up to the windows to crop them, typing triplicates, and having a lot of fun producing the largest yearbook ever.

Under the direction of their advisor, Mr. Brinker, staff members tried many new ideas this year to make **Tatler** really great.

Working along with the editors were assistant editors Brian Olmstead, Faculty; Lynn Hayes, Organizations; Janna Plumley, Activities; Patty Wire, Classes; Larry Hinze, Sports; and Terry Dienst, Subscriptions.

Joanne and Lisa, Co-Editors of this year's **Tatler**, work on last minute layouts to meet a deadline.

## NEW LOOK FOR RO-TO

Members of the editorial board are: Kathy Lohrmann (news), Marilyn Upah (features and editorials), Sue Laubach (copy editor), and Don Gruben (sports editor).

EXTRA! EXTRA! Read all about it! What's the big scoop? The 1971 **Roto** staff, working in the newly remodeled **Ro-To-Hi-Life** office, have succeeded in producing a student publication with insight and identity.

This year's editorial staff includes: Kathy Lohrmann, Editorials and Features; Marilyn Upah, News; Sue Laubach, Copy; Don Gruben, Sports; and Terry Allen, Photography Director. The staff, under the aid of Mrs. Stotmeister and with the services of Hohenadel Printing and the staff of the Rochelle News Leader, published 15 issues of the **Roto**.

Besides the changes initiated by the technological advantages afforded by the renovated office, the **Roto** changed to a whiter grade of paper, giving it a much crisper finish. Readers were provided with four six-page issues, a first in providing total news coverage.

With the larger staff and the newly designed photography and art department, the **Roto** was able to complete the news publication with greater ease than before. Dr. Melvin Smith, R.T.H.S. superintendent, suggested regular meetings between the administration and **Roto** editors. With this open and friendly exchange channel open to **Roto**, the staff was able to provide more insight into problems and events concerning the administration; while the diversified staff enabled a well-rounded representation of student opinion and activity.

# FRESHMEN "STEP" INTO WORLD OF RTHS

Freshman officers with their advisor, Mr. Shoemaker, are Tom Koritz, president; Sharon Kamps, Secretary; Mary Hunter, treasurer; and Joan Allen, vice-president.

You've seen them. Those freshman girls struggling with their lockers. Those freshman boys after football practice. Those posters they put up all over school to campaign for student council and class offices. You saw their homecoming float "Bewitched by the Hubs."

You've heard them. Causing those explosions in IPS science. Yelling the victory cry at pep rallies where they were led by their cheerleaders Sue Nyberg and Kay Peck. Blowing their own horns in varsity band.

You know them. Three of them were nominated for freshman attendant at homecoming — Lynn Hayes, Sharon Kamps and Carol Hicks — the latter of whom received that honor.

They started on their careers at RTHS, joining all the clubs and taking part in all the activities.

Sure, you've seen them, you've heard them and you know them. And here they are again . . .

# SOPHOMORES SWING INTO SECOND YEAR

Proud, "buggy," book laden, spirited — all are adjectives which describe sophomores. Their books pile up because of classes like geometry, biology and English II. Their school spirit soars because of the hand-clapping, foot-stomping, cartwheeling cheerleaders Nancy Beck, Sherri Larsen and Debbie Wagner. Their lockers fill up with bug boxes, styrofoam, Peter Max posters and overdue library books.

Their homecoming float "Geneseo Died, October 17, 1970" displayed ingenuity . . . that is, until the float itself died in the middle of the field during homecoming ceremonies. But the sophs didn't give up when the float came unhitched: they pulled it by hand. Whether they are manually pulling a float, choosing their class rings or striving to become upper-classmen sophs don't quit.

They make their year great!

Sophs go right to work classifying bugs for biology.

Behind sophomore president Jan Vance are Sharon Furman, treasurer; Sharon Crum, secretary; and Jan Andrew, vice-president. Mr. Yenerich is class advisor.

Some sophs are cut-ups.

# 1970-71 IS A BUSY YEAR FOR JUNIORS

Do you remember selling mums to everyone who even looked at you? And making those bows for hundreds of mums? Do you remember working on the junior float for homecoming — "Mission Impossible"? Do you remember the thrill of being chosen a pom pon girl? Or the first time you announced, "Watch it, kid, I'm an upperclassman?" Do you remember those exciting smells in the chemistry lab? Or all the time you spent on your algebra II assignments? Do you remember working in the concession stand at football games? Or playing in your first big game with the varsity? Do you remember planning the decorations for the prom in the gymnasium?

Your junior year was a real happening. Take a look at the pictures that follow. Now do you remember?

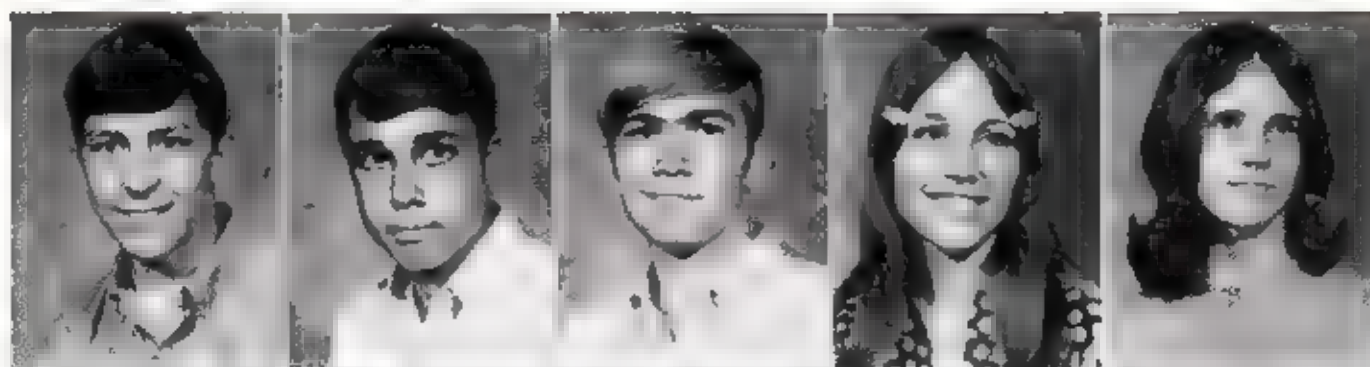

Junior officers with their advisor Mr. Engel are, front to back, Joanne Kingsbury, secretary; Carlen Quinn, treasurer, Alice McCaslin, vice-president; and Ron Shields, president.

"All right, girls, let's get back to the drawing board."

"Let's get out of here."

**"THE CLASS OF 1971 IS EACH OF US . . .  
WITH OUR OWN SONG TO BE SUNG . . ."**

Gary Buckley was elected president of the class of '71 on a write-in campaign.

Serving as vice-president for the senior class in 1970-71 was Jan Peck.

We.

We are.

We are, each and every one of us.

We are, each and every one of us, our own person, yet united in one.

We are, each and every one of us, our own person, yet united in this one class of 1971.

We are united by our endless patterns of interdependence and experiences of the infinity of smiles and tears, joys and aches, triumphs and tragedies, questions and answers that have bound us as one, yet separate us as individuals. For us, R.T.H.S. is not a brick and mortar structure, but a collection of individuals, our hopes and dreams, our efforts and sacrifices, our disappointments and failures, our accomplishments and records.

The class of '71 is each of us. As we graduate, we take R.T.H.S. with us as we carry with us our own song to be sung, our own race to be run, our own stage to be played, our own discoveries to be found. As each of us becomes more himself, we must live each reality in its own right, without remorse for the past or fear of the future.

We are, each and every one of us, our own person, yet united in this class of 1971.

We are, each and every one of us, our own person, yet united in one.

We are, each and every one of us, our own person.

We are, each and every one of us.

We are.

We.

— MARILYN UPAH

Bonnie Rowley (at left) was president of the class of 1971; Emma Male (above) served as secretary.

# MOHAMMED SAMPLES LIFE AT R.T.H.S.

If any senior has changed during his last year, at R.T.H.S., it has been Mohammed Driss Qamar, the foreign exchange student from Khenifra, Morocco, a city of 40,000 people.

Mohammed went to school in Meknes, about 120 miles from his hometown. The school has students from France, Spain, Portugal, Italy, and America, and has an enrollment of about 5000. Besides having nine subjects in school to occupy his time, Mohammed was a reporter and editor for the school newspaper.

A.F.S., a school organization, whose main purpose is to sponsor the foreign exchange student and acquaint him with our area, held several parties for Ben and other members. In November, a surprise birthday party was held at the Curl residence. At that party, members and guests played soccer, one of Ben's favorite sports. Other activities included a Christmas party and the A.F.S. national dinner.

Ben stayed this year with the Robert Colville family. He is pictured with Bette, a freshman; Jim, a sophomore; and Anne, a senior.
